1. FINANCIAL DISCLOSURE/CONFLICT OF INTEREST – AS 39.50

This is a brief introduction to the reporting requirements of Alaska's Public Official Financial Disclosure Law, AS 39.50. It is not intended to be a substitute for a careful reading of AS 39.50. Any specific questions should be referred to:

Alaska Public Offices Commission

Anchorage, AK 99508
Phone: 907-276-4176 or 800-478-4176
Fax: 907-276-7018 Website: <http://doa.alaska.gov/apoc/>

The office is open Monday through Friday 8:00 a.m. until 4:30 p.m.

A. Introduction and General Information

Candidates for Mayor and City Council are required to file Public Official Financial Disclosure (POFD) Statements. All candidates may complete the statement electronically via the internet, using myAlaska or complete the paper form provided by the City Clerk. Candidates who file electronically will need to provide a paper copy of their completed MyAlaska POFD statement to the City Clerk with their Declaration of Candidacy.

To use the electronic filing system, filers must have a myAlaska user name and password. If not, you may set up a new myAlaska user name and password easily by linking to myAlaska at <https://my.alaska.gov>

Incumbents for office may use the POFD on file with the City Clerk's Office. If the incumbent previously filed electronically using myAlaska, they are required to electronically copy their previous statement through their myAlaska account, change the reason for filing to "candidate" and re-certify the statement. Do not amend the previous year's statement.

Candidates should be aware of the strict interpretation given to the filing requirements. The statement is required to be properly completed and submitted with the Declaration of Candidacy by the deadline. They must have an original signature and reflect interests for the prior calendar year.

B. Information Required on a Financial Disclosure Statement

The law requires that each POFD Statement be an accurate representation to the extent ascertainable of the financial affairs of the reporting official and immediate family members (spouse, domestic partner, dependent children, or non-dependent children who reside with the candidate).

If this material is unclear, or you have a unique circumstance, you should contact APOC staff and request a more detailed interpretation.

C. Properly Completed Statements

The City Clerk cannot accept a POFD which has the wrong reporting period, lacks an original signature, is illegible, or is missing sections. The statement will be returned for completion and will not be considered filed until it is corrected and resubmitted. Statements must be typed or written in ink.

2. CAMPAIGN DISCLOSURE – AS 15.13

A. General Information

The Campaign Disclosure Law requires state and municipal candidates, and political groups, to file periodic, detailed reports disclosing all campaign contributions and expenditures. The campaign disclosure law directly limits the influence of contributors or candidates by limiting the size of the campaign contributions.

B. Campaign Disclosure Reports

There are several different types of reports a candidate might be required to file, depending on the extent of the candidate's campaign.

Candidates that will not raise or spend more than \$5000 are required to file a Municipal Exemption Statement and are considered exempt.

Candidates, who are not exempt, are required to disclose financial information about their campaign. The purpose of a campaign disclosure report is to provide a snapshot of a candidate's activity during a specific reporting period.

C. Paid for by Identifiers

Alaska Statute 15.13.090 require a paid for identifier on all political communications. Visual communications must contain a visible identifier, and audible communications must contain an audible identifier. Failure to include a visual or audible identifier can result in civil penalties.

D. Civil Penalties

Civil penalties apply to candidates who violate disclosure laws. It is YOUR responsibility to familiarize yourself and your campaign workers with the requirements of the campaign disclosure law and reporting deadlines. If you have any questions regarding what reports you are required to file and when you are required to file, please contact an APOC staff member.

AS 19.25.080-180, AS 19.25.200-250 and 17 AAC 20.010 govern the placement of political signs. Political signs placed within 660 feet of the right-of-way with the purpose of the message being read from the traveled way of a primary or secondary highway are illegal.

The placing of a sign in violation of state statutes is a misdemeanor and upon conviction is punishable by a fine of between \$50 and \$5,000 (AS 19.25.130). Political signs placed within the right-of-way of highways are illegal encroachments under AS 19.25.220 and 17 AAC 20.010 and may be summarily removed pursuant to AS 19.25.240, Outdoor Advertising.

Private landowners placing signs, allowing signs to be placed or allowing signs to remain on property along State primary or secondary highway rights-of-way are in violation of the law and could also have civil liability. Confiscated signs may be recovered from the nearest field maintenance facility after payment for man and equipment hours expended in their removal. In all cases, the minimum charge will be not less than \$50. Confiscated signs not recovered will be destroyed after 30 days.
